PLEASE NOTE:

The luncheon buffet cannot accommodate everyone all at so please help us manage the serving line by adjusting your arrival as needed. Lunch will be served between noon and 2 pm. It's a great time to check out the vendor areas.

Kathy Shaner, Ted Matson, and Bob Hilvers will be giving a presentation of the three GSBF collections during the lunch break. They will be repeating this presentation twice so as to accommodate the staggered lunch service.

The proceeds from the Saturday night Benefit drawing and auction are used to support the GSBF Collections at the Bonsai Garden at Lake Merritt, the Huntington Gardens, and the new Shinzen Gardens. Your generous donations to the drawing make our Collections a success. Thank You !
